

“Rejoice always, pray continually, give thanks in all circumstances; for this is God’s will for you in Christ Jesus.” 1
Thessalonians 5:16-18

Dear friends, supporters and prayer warriors:

In all circumstances we are called to give thanks, we rejoice that we have reasons to be thankful. This year has been a year of intense ministry and we are thankful you’ve been a part of it.

As you know, after arriving in Tallahassee, FL. Jun 2020, God gave us the opportunity to impact the Hispanic community of Vienna, Ga. A small community in South Georgia where we committed to Pastor New Life Hispanic Church of Vienna for 12 months. We are in month 15 and ready to transition out. While there we were able to Evangelize, disciple, baptize, train and equip I a small congregation of a little over 30 people from different nationalities but mostly from Guatemala. A great experience that exposed us all as a family to multiple cultures and backgrounds within the Hispanic community. We went there to teach and love but we are leaving transformed by the love of the families we served and everything we learned from them.

In March 2021, while still pastoring the NLBC of Vienna. Vanessa and I, together with brothers and sisters from Tallahassee, led by God and the Holi spirit and after preying for God’s Vision for Tallahassee, Fl, decided to start a small group that meets at our home for bible study. In March 2021 we started with 3 families from where we have grown to over 25 people meeting at our house. We are in conversation with a Bigger American Church here in Tallahassee that is willing to host our growing ministry and partner with us in the logistics of reaching the Hispanic community in Tallahassee, FL.

Please pray for us as we implement ways to Impact this community and show the love and compassion of Jesus Christ here in Tallahassee Florida and in the Dominican Republic through short term trips to partner with local churches alongside Koinonos.

We acknowledge that without your prayer and support none of this could be possible.
